TECHNICAL SKILLS

Javascript (ES6), React, Redux, Thunk, Ruby, Rails, Django, Docker, PostgreSQL, Active Record, SQL, Heroku, HTML, CSS, AWS, Cloudinary, Git, Netlify,

TECHNICAL PROJECTS

[RentMe](#) - [Github: Front End](#), [Github: Back End](#) | [Demo](#)

Car rental app with customizable dates for customers. Admin has the ability to upload images for new car postings, manage current listings, and review booking metrics reports.

- Single Page Application (SPA) using React-Router and to enable navigation from one view to the next as clients perform application tasks. Applied redux middleware using redux-thunk.
- Used AJAX calls and requesting JSON information through REST APIs to fetch data and secure the client's information from the server asynchronously.
- Designed RESTful backend server with Active Record, PostgreSQL, and Ruby on Rails.
- Authenticated users at login by encrypting identifying account information.

FootBall Masters - [Github: Front End](#), [Github: Back End](#) | [Demo](#)

Sports app with information on all countries' soccer leagues, teams, and players with user ability to create favorite teams.

- Developed object-oriented JavaScript front end Single Page Application (SPA).
- Communicated with Api-Football RESTful API endpoints to render the data.
- Designed RESTful backend server with Active Record, SQLite, and Ruby on Rails.

friends - [Github](#) | [Demo](#)

Mobile optimized Social Media App featuring real-time message delivery, user profile customization, easy network building, and user authentication.

- Developed Javascript/React/Redux front-end and Rails/Active Record/Postgres back-end application.
- Delivered live updates with fully-integrated WebSockets and Thunk middleware to open client-server communication.

EXPERIENCE

Leone   Carlstad, NJ
Lead Electrician   May 2017 - Apr 2020

- Supervised 15-20 job sites per month; contracted by T-Mobile, Verizon, and Spectrum throughout NJ and 5 boroughs
- Ensuring 100% safety and continual customer satisfaction by installing and repairing wiring, electrical fixtures, power equipment, and components of machinery and equipment following electrical code, manuals, specifications, schematics, and blueprints.
- Evaluated workmanship of electricians and contractors, promoting collaboration and trust between local partners

Bosphorus Lounge   Ohrid, North Macedonia
Owner - Restaurant Manager   Sept 2012 - Apr 2017

- Coordinated daily front-of-the-house and back-of-the-house restaurant operations.
- Provided trustworthy and inviting environment for 300+ customers per day; with 100+ being regular clientele
- Partnered with 20-25 vendors at a time, ensuring products and clients' favorites were always in stock.
- Managed accounting and payroll for 12 active staff members; organizing and supervising >6 shifts per day.
